- Chapter Business – Education and Membership Committees meeting, meeting schedule for 2012 (0.5 hours)
- Webinar (1.5 hours)

The webinar presentation will review noteworthy cases of research misconduct, discuss the applicable rules and underlying ethical principles, and provide insights in how to effectively handle allegations of research misconduct.

**Who Should Attend:** Healthcare practitioners, administrators, clinical research professionals, and regulatory affairs professionals, particularly those involved in strategic planning. Also, Clinical Research Professionals in Greater Nashville area with interest in learning more about ACRP and supporting the continued efforts of the Greater Nashville Chapter.

**Education / Learning Objectives:** Upon completion of this webinar, attendees should be able to:

- 1) Discuss noteworthy cases of research misconduct that have been reported by the press and illustrate the ethical principles underlying the regulations governing research misconduct.
- 2) Explain the governing regulations and employ specific approaches and methodologies handling allegations of research misconduct.
- 3) Demonstrate how to avoid common pitfalls when handling allegations of research misconduct.

**Brief Meeting Description:****EDUCATIONAL PRESENTATION:**

The value of research is dependent on trust in the integrity of the people engaged in research, and the emanating data. Maintenance not only of the trust of the scientific community, but more important, the trust of the public at large, is an essential prerequisite to ongoing scientific progress.

**BUSINESS MEETING:**

The primary focus of the business meeting session will be to renew the chapter committees, namely education and membership, and strategize for 2012. We will be setting the ACRP Greater Nashville Chapter meeting schedule for 2012. Secondary opportunity, as always during Chapter meetings, is to provide Nashville Clinical Research Professionals with the opportunity to meet and network with fellow co-workers, colleagues and peers.

**Evening Objectives:**

- 1) Educational Presentation: See Learning Objectives above
- 2) Chapter Committees – 2012 plans
- 4) Setting 2012 meeting schedule
