## Welcome Letter

Dear ACRP Chapter Leader,

Welcome to the 2019 Chapter Affiliation Standards & Expectations (CASE) Planning Workbook. This workbook is designed to help chapters prepare to submit the annual online CASE submission form. CASE focuses on outcomes from chapter-initiatives

The online CASE submission itself will consist of two (2) parts:

**Part 1: Annual Update** – Focusing on the chapter’s demographic information.

**Part 2: CASE (Basic Requirements)** – A self-reporting assessment of chapter’s achievements and adherence to chapter affiliation requirements.

The CASE submission reports on a chapter’s activities and accomplishments during the prior calendar year (January – December). **The deadline for submitting the online CASE survey is January 31.**

Chapters will be rewarded with ACRP funding based on membership recruitment and retention results in the reporting year. To qualify, each chapter must submit the online CASE report and all supporting documents 1) Current Chapter Board Roster (*using the “[Chapter Board Roster Template](#)” spreadsheet*), 2) Strategic Plan for the upcoming year, and 3) year-end financial results for the period January 1<sup>st</sup> – December 31<sup>st</sup> of the reporting year by the January 31<sup>st</sup> deadline.

Eligibility for financial incentives will be based on the following membership metrics **as well as** adherences to the Chapter Affiliation Standards & Expectations (CASE) requirements:

Membership Increase Percentage	Chapter Bonus Amount
3 – 5%	\$250
6 – 9%	\$500
10% +	\$800

Please make sure to identify the chapter leader responsible for submitting the CASE survey.

If you need additional information about the CASE submission process, please contact [chapters@acrpnet.org](mailto:chapters@acrpnet.org).

Thank you for your ongoing time, commitment, and leadership!

**Appendix A: Sample Chapter Strategic Planning Guidelines**

ACRP strongly encourages each of its chapters to establish goals and strategic initiatives to support the needs of clinical research professionals. These goals allow chapters to increase visibility and effectiveness as well as expand the chapter’s impact within the community.

**Creating your Chapter’s STRATEGIC PLAN**

Your chapter’s strategic plan should focus on: Education/Professional Development, Marketing, Communications, Membership, Certification, and Budget.

- Each chapter is required to submit at least three (3) total initiatives.
- A goal is not the same as an activity or task. For example, placing an order for ACRP marketing materials for a membership push is not an initiative; but, rather, would be part of a larger strategic initiative of increasing chapter membership.
- Preparing an annual budget for your chapter will provide your financial foundation for your strategic plan. Monitoring your performance against your budget will help you stay on target.

**How to Get Started**

When developing your initiative, it may be helpful to answer the following questions as part of how you look strategically at that goal:

- What is the purpose of your initiative?
- What need are you identifying and how will you help?
- How do you want to make an impact in this area?
- If this isn’t a new initiative, how will you improve upon earlier work?
- What resources will you access?
- What is your timeline?
- How is this initiative going to be communicated?
- How are you engaging your members?
- How will you know if you are successful?
- What measures will you implement?

Each chapter is encouraged to model the vision, mission and strategic goals of the global organization.

Below, please provide at least three (3) goals your chapter would like to accomplish in 2020:
