To: Board of Trustees
From: Christy Herz, Director of Governance

Following are ACRP's Code of Ethics and Discipline and Complaints Policy for approval by the Board of Trustees at the upcoming June 17 meeting.

As a reminder, the Professional Ethics Committee worked on revisions to these documents last year and proposed changes to them at the December 2019 ABoT meeting. In two rounds of review, the Board of Trustees recommended further revisions which have been incorporated. The ethics documents were then shared with the Academy Board for review, and no further changes were recommended.

If you would like to see the changes made to these documents in redline, please contact me.
